***"In that day there shall be an altar to the Lord in the midst of the land of Egypt, and a pillar at the border,...and it shall be for a sign and for a witness to the Lord of hosts." Isaiah 19:19,20***

The Great Pyramid of Egypt is one of the most remarkable buildings in the world. But even more important, this ancient structure is referred to in the Bible. The prophet Isaiah testifies of it in these words. "In that day, there shall be an altar to the Lord in the midst of the land of Egypt, and a pillar at the border...and it shall be for a sign and for a witness..." Isaiah 19:19,20.

The prophet Jeremiah 32:30, speaking of God's mighty works, declares that he hath "...set signs and wonders in the land of Egypt, even unto this day."

The Great Pyramid is one of these signs and wonders which remains the only surviving wonder of the seven ancient wonders of the world.

An examination of this wonderful structure—its size, accuracy, and internal arrangement, reveals an outline of the Plan of God, past, present, and future. The Great Pyramid proves to be an important storehouse of important truth, scientific, historic, and prophetic. Its testimony found to be in perfect accord with the Bible, expressing the prominent features of its truths in fitting symbols. The pyramid is a strong corroborative witness of God's plan, harmonious with God's word—the Bible. Indeed, it is the Bible in stone!
