

March 9

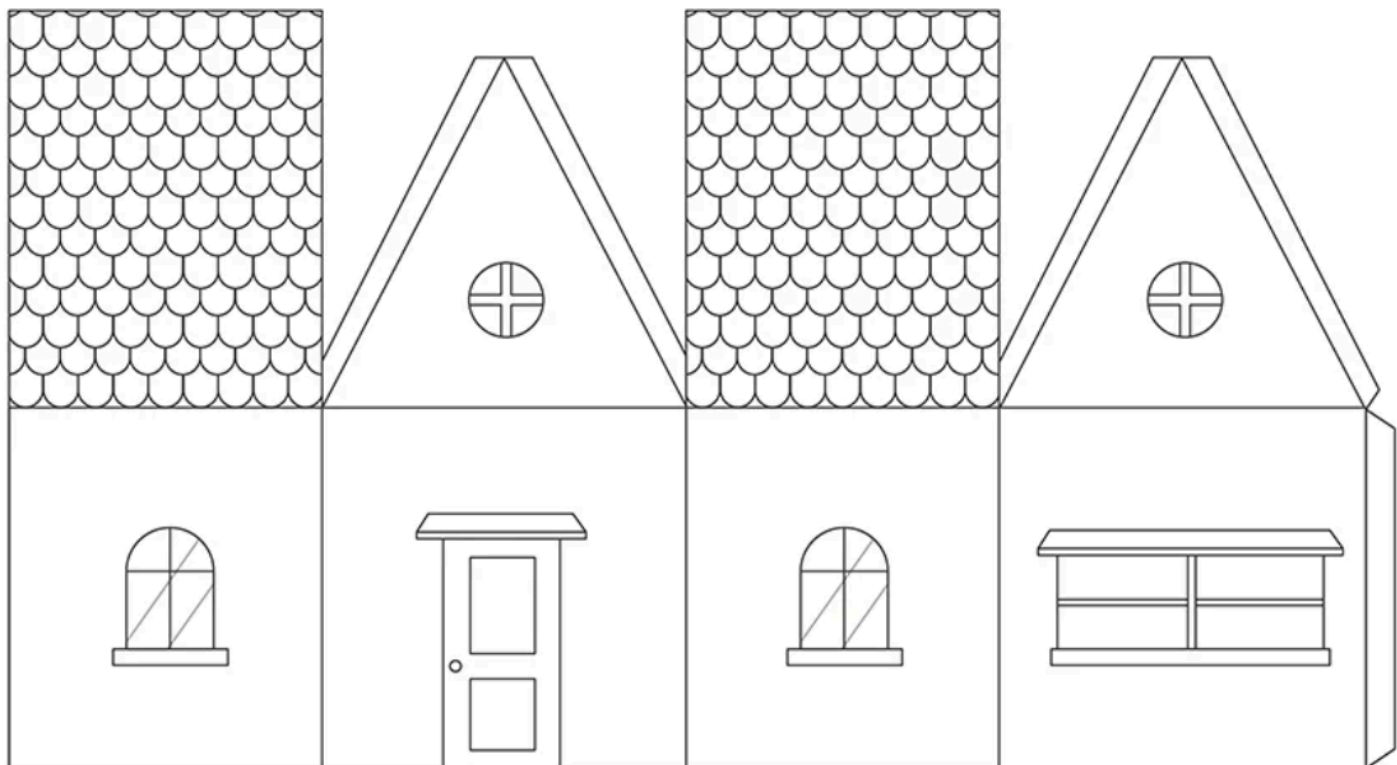

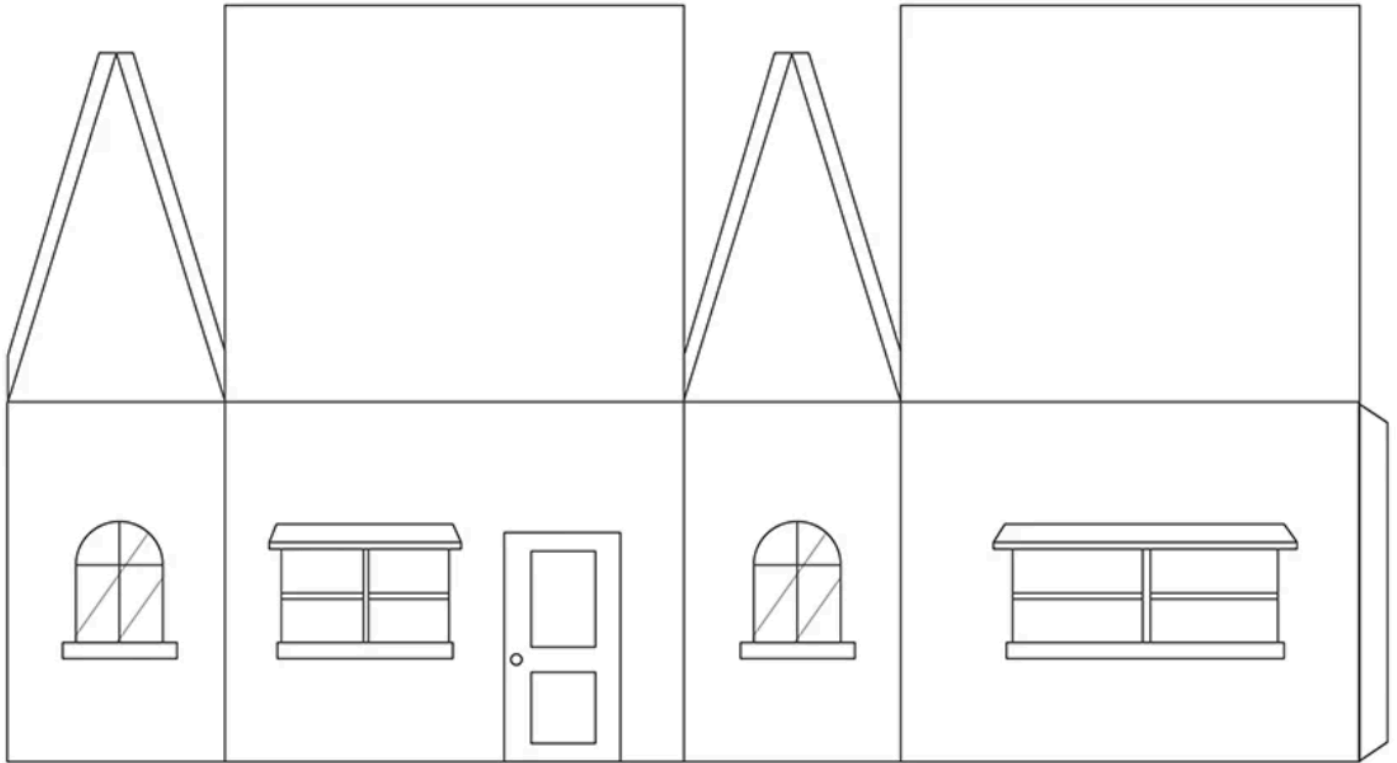

All things were made by Him [the Logos]; and without Him was not anything made that was made. (John 1:3)

Almighty God had the Word, or the Logos, help in the creation of all things. It is like an architect and a builder: the architect - God - made the plans and had the power needed; Jesus, the Logos, was the builder. Using God's plans and power, He did the work of creating all things that are in heaven and in Earth. Ephesians 3:9
