

March 13

*In the morning, rising up a great while before day he (Jesus) went out, and departed into a solitary place, and there prayed. (Mark 1:35)*

Jesus felt the need to commune with His Father- that is, to pray to Him and feel His loving care. So it is with us; we need a time to worship our Heavenly Father, to thank Him for His blessings, and to ask for His help and guidance every day. Jesus prayed often, and this is a good example for us to follow. Proverbs 15:29

Write the Lord's Prayer as recorded in Matthew 6:9-13. Try to section the prayer in parts leaving space between the parts. After you have written out the whole prayer, write what you think each part means.

After you complete this, find another prayer in the Bible and write it down. What does that prayer mean?

Listen to what others are praying for in their oral prayers. What are they praying for? Ask your mom or dad or grandma or grandpa. Make a list for 2 weeks. Is there anything that they pray for that we should include in our prayers?

What others pray for

What you want to include
