

June 8

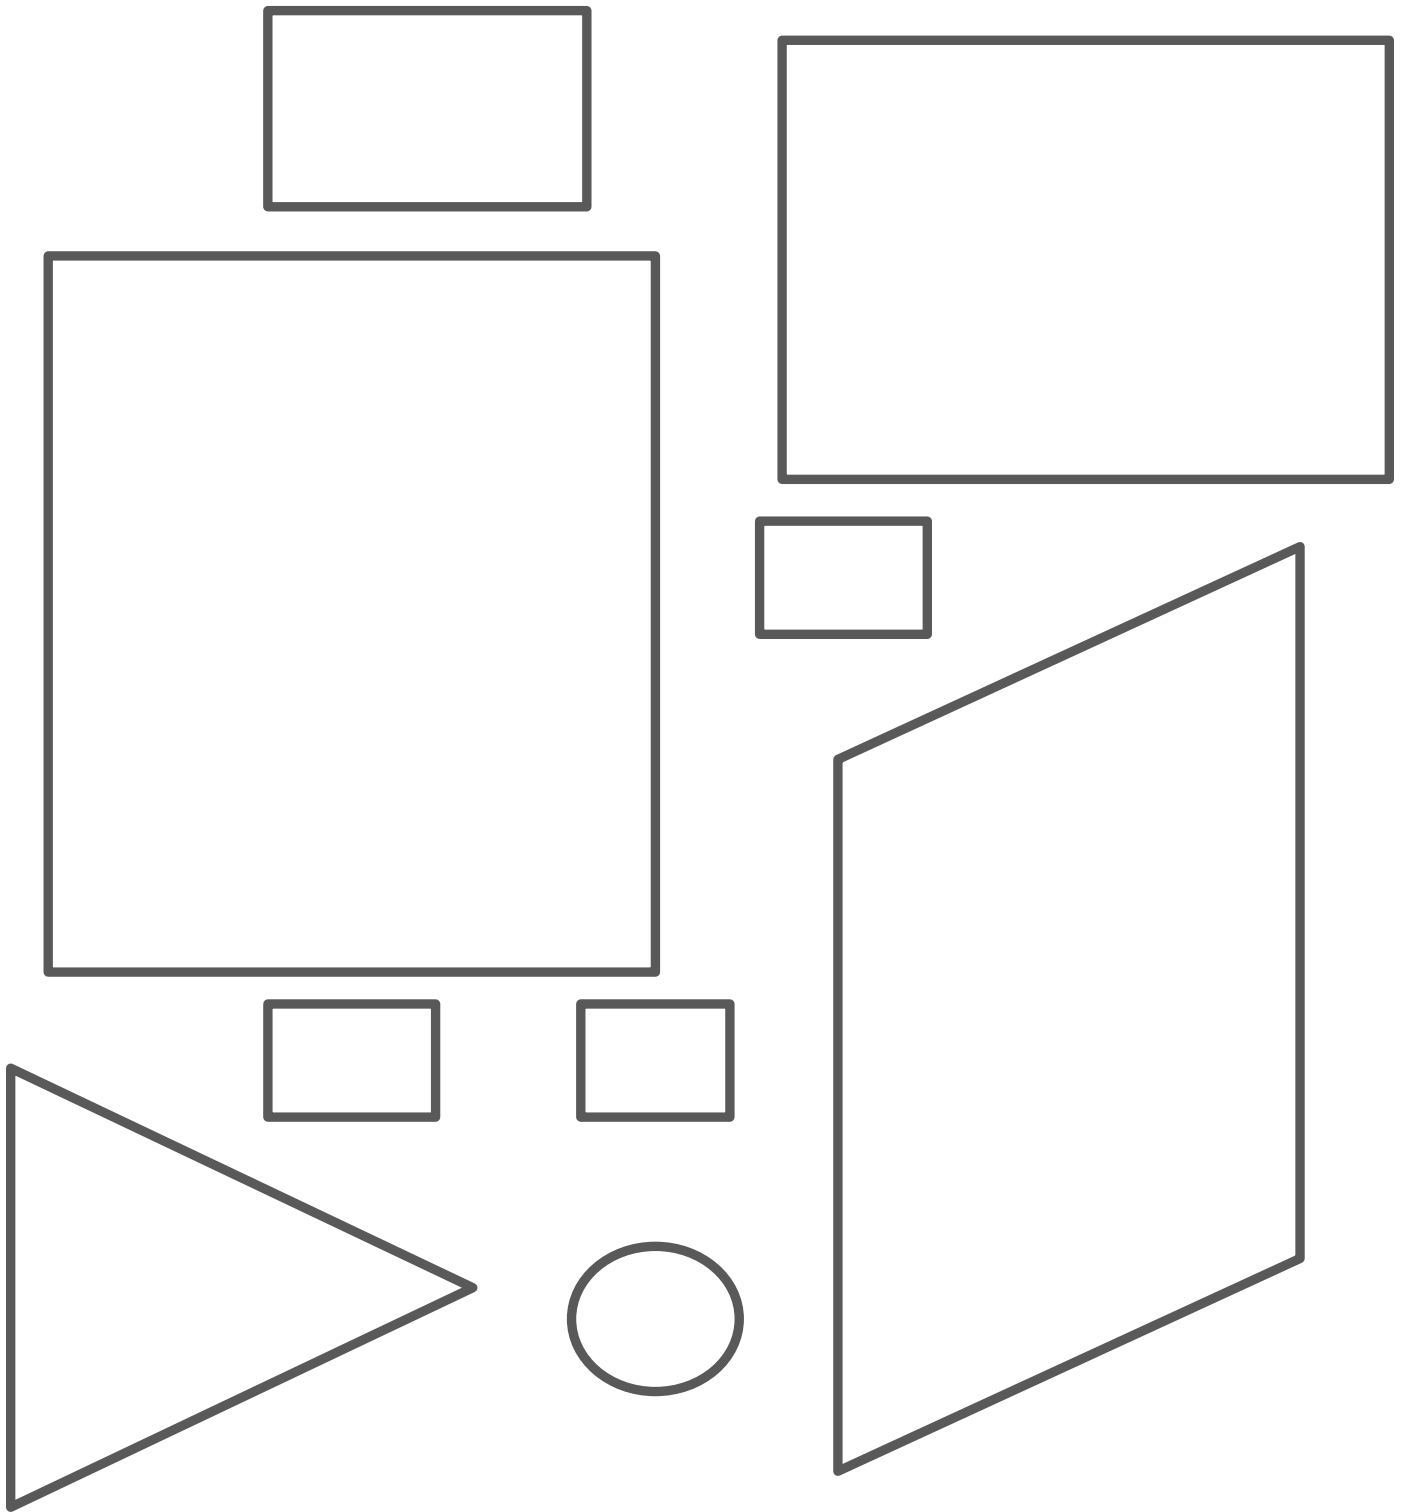

Now may be made known...the much diversified wisdom of God according to a plan of the ages. (Ephesians 3:11, Diaglott)

As some might ignorantly misjudge the skill and wisdom of a great architect by his unfinished work, so some may misjudge God by his unfinished plan. But, in due time, all will know God's great plan of the ages has indeed been proceeding on schedule. This plan, of which God is the Architect, began with man's creation and reaches into the limitless future. Hebrews 12:2

Color the picture

Cut all the shapes and make a house. Decorate each piece when the house is built.

Design and color your house. Cut out the house, fold, and glue it together
