

August 3

*Delight thyself also in the LORD and he shall give thee the desires of thine heart.
(Psalms 37:4)*

To delight in the LORD would mean His will is the very center of our affections- that we look for His will and direction in every phase of our lives. Because His will is our will, the desires of our hearts will be harmonious with His plan and His purposes for us, and He is pleased to grant them. Isaiah 58:14
