

August 9

We henceforth (from now on) be no more children. (Ephesians 4:14)

When we first begin to study God's Word, we are as little children and can only understand the simplest of things. As time passes, and as we continue to study, we will grow and become strong. We will not be misled by false doctrines nor people who would lead us away from God and the truth. Hebrews 13:9

Color the picture

Create a Library of books that would help you grow in knowledge of the Lord.
Label each book with its name and color your library when done.
