Be sober, be vigilant (watchful); because your adversary (enemy) the devil (Satan), as a roaring lion, walketh about, seeking whom he may devour. 1 Peter 5:8

A lion roars when it is ready to attack its prey, frightening the other animal so much it cannot move; then the lion springs on its victim. Satan, too, is very cunning, but he is more subtle and does not attack us with a roar. We need to be watchful so as not to be led away from God. Ephesians 6:11
